TDCS-3/524,972	Probable Exaggeration of Rumors of Uprising in Rostov/Don Area	Info based on information from AECASSOWARY/29 who received it from CASSOWARY/35 who talked to the female emigre. The Comment refers to TDCS-3/522,162 of 11 Sept 62, written by SR/RP/Mil and stating that no foreigners would be allowed to use aircraft landing in Rostov and Kharkov. The airports were being used wholly or partially by the Sov military. IN-37357, ANKA-1892 of 10 Oct 62, rec'd by SR/4 indicates restriction still enforced.
CS-3/520,281	Opinions of Ukrainians re Khrushchev and His Programs	More definite expressions of dissatisfaction than have been seen previously - obviously much prejudice involved but "poster" thing and Ukrainians doubts re ability to fulfill new Party Program could be meaningful.
CS-3/537,601	Rumors in the Ukraine About Post June 1962 Civil Disorders	According to rumors in Ukraine Taganrog, Tuapse, Batumi, are new areas where civil disorders occurred following June price rise.
CS-3/538,398	Prison Release of Metropolitan Yosif Slipyy	Although considerable portion of info known and overt, included for background purposes. Ukrainian emigre community's views on political implication of release.
CS-3/538,777	Reaction of Ukrainian Population to Cuban Crisis in late October 1962	If this can be believed, very interesting to learn that foreign broadcasts on the Cuban crisis were getting through to the people of the Ukraine at least right at the time the crisis was going on.

CS-3/538,778	General Situation in Ukraine in September and October 1962	Always happy to hear about grumbling, general discontent and bubbles pricked in outfits like "crash brigades". C/O asked for more particulars in future if this can be arranged. Dates adjusted slightly not to tie in too closely with OBB/6135.
CS-3/545,652	Ukrainian Attitude Toward Cubans and the Cuban Crisis in Late 1962	Better than average emigre report and still healthy interest in what the Cubans are up to at home or abroad.
CS-3/548,483	Rumors Circulating in Ukrainian SSR re Concentration Camps for Ukrainians in Poland	Sounds like the bogey-man will get you stories used by capitalist mothers but it may well be true that such stories are circulating.
CS-3/549,330	Comments of Metropolitan Yosif Slipyy on his Imprisonment in the USSR and Possibilities for Re-establishment of Ukrainian Catholic Church in USSR	Interesting comments on treatment of Slipyy while imprisoned and Soviet attempts to force him to accept Orthodoxy. Slipyy's opinions on possible re-establishment of Ukrainian Catholic Church.
CS-3/556,500	Further Comments of Metropolitan Yosif Slipyy on His Release and a Temporary Amnesty for the Clergy in 1953	Tie in with other reporting on Slipyy (CS-3/549,330) and although that info just a little piece of the puzzle. 1953 info on Beriya's brief amnesty for clerics of historical interest - limited audience.
CSLT-3/706,924	Zhalgiris Machine Tool Plant and Probable Branch Plants in Vilnius	According to OCR/IR, info adds to knowledge of these plants. Rest too general.

<u>Field Report No.</u>	<u>No Dissems</u>	<u>Comments</u>
OBB-6021	Known	<p>This information is almost a year old and the subject matter covered has been firmly established: Estonians dislike Russification; blackmarketing and pilfering from State exist; there are shortages including butter and housing and shoes; the Soviet people resent giving aid to Asian and African nations.</p> <p>Subsource unbriefed visit to relatives in the Ukraine.</p>
OBBA-17609	Known	<p>Ukrainian man-on-the-street's reaction to the achievements of the cosmonauts and rise of meat and butter prices, lack of info on int'l events, Ukrainian prejudice toward Jews and Poles - by now thoroughly reported and overt.</p>
OBBA-17711	Rumor	<p>These rumors have been repeated with remarkable frequency - great deal of traffic on Novochoerkassk-Rostov uprising although A/35 did add a new detail to effect that uprising was quelled by special detachments of mongols with slit eyes who made a terrible bloodshed -- and didn't spare even children many of whom were killed during the massacre.</p> <p>The Odessa strike is old material and State has reported it as well as clandestine sources - same applies to the alleged attempt on Khrushchev's life in early 1962.</p> <p>Ukrainian resistance info is not new and State has reported as have numerous OO/B reports, that citizenry complain about cosmonauts vs bread. Re consumer prices, ORR, our only consumer, cancelled their requirement for these about 2 years ago.</p>

These comments were taken from sources slips of July 1962 to August 1963.
